

Waxing

Smooth. Simple. Confidence that lasts.

At **Obsessive Beauty**, we offer professional waxing treatments designed to leave your skin silky smooth and hair-free for longer. Whether you're after a quick tidy-up or full body waxing, our experienced therapists ensure a comfortable, hygienic, and effective treatment — every time.

Why Choose Waxing?

Waxing removes hair from the root, which means smoother skin and longer-lasting results compared to shaving. With regular sessions, hair grows back finer and sparser — and the treatment becomes even more comfortable over time.

We Offer:

- **Facial Waxing:** Brows, upper lip, chin, sides of face
- **Body Waxing:** Arms, underarms, chest, back, legs
- **Intimate Waxing:**
 - Bikini tidy
 - Extended bikini
 - Hollywood (all hair removed)
 - Brazilian (landing strip remaining)

What to Expect

- **Consultation:** We'll discuss your skin type and preferences
- **Treatment Time:** 15–45 minutes depending on area
- **Comfort:** We use high-quality wax designed to minimise discomfort
- **Aftercare:** Redness is normal and usually settles within a few hours
- **Results:** Smooth skin that lasts 3–5 weeks

Is Waxing Right for Me?

Waxing is suitable for most skin types and hair textures. It's ideal for those who want longer-lasting smoothness, are prone to shaving irritation, or simply prefer a low-maintenance hair removal routine.
